After 25 years of voluntary researching, writing and documentation of the history of Indians in Australia by Len Kenna and Crystal Jordan the the AIHS was formed by the four largest Sikh Gurudwaras in Victoria; Sri Guru Singh Sabah - The Sikh Cultural Society of Victoria Inc., Craigieburn, Sri Guru Nanak Satsang Sabha, Blackburn, Sikh Community of Western Victoria Inc., Tarneit, Gurudwara Sri Guru Granth Sahib Inc. Keysborough.

We research, preserve and publish Indian History in Australia with the aim of reducing racism and to help members of the Indian Community feel more at home and settle in Australia.

The Exhibition

This Exhibition will be opened by Robin Scott, Minister for Multicultural Affairs. It is being exhibited to show to the world the marvelous contribution that Indians have made in the development of Australia. It consists of many rare photographs and artefacts displayed together for the first time that depict all aspects of everyday life of these pioneers.

After viewing this Exhibition people will be asking why has it taken so long for an Exhibition of Australian Indian History to be assembled and put on display. We thank Historical Societies from Corryong, Ouyen and Quambatook Victoria and Lockhart N.S.W. for their input into this Exhibition.
